

**Seller:** The following notices and certification and, as applicable, invoice requirements pertain to the Performance-Based Payments Schedule set forth in this Purchase Order or Subcontract which authorizes Performance-Based Payments in accordance with the clause at Federal Acquisition Regulation (FAR) 52.232-32 and, as applicable, Class Deviation 2019-O0011 pertaining to Defense Federal Acquisition Supplement (DFARS) 252.232-7012 and 252.232-7013.

### **Section A: Performance-Based Payments Notices**

1. The FAR clause at 52.232-32, Performance-Based Payments is by this reference incorporated in this Purchase Order or Subcontract as if fully set forth herein. The terms “Government”, “Contracting Officer”, and “Contractor” are revised to suitably identify the contracting parties (Buyer and Seller) and affect the proper intent of the clause except to the extent of the title transfer provisions in FAR 52.232-32(f) which remains “Government.” Buyer, not the Government, awards this Purchase Order or Subcontract and administers the Performance-Based Payment(s) as defined in this Purchase Order or Subcontract.
2. Seller shall provide the certification in FAR 52.232-32(m), on or in each invoice Seller submits to Buyer for a Performance-Based Payment (See Section B. below.)
3. For Purchase Orders or Subcontracts issued under a U.S. Government Department of Defense (DOD) Prime Contract (DOD Subcontracts), Seller shall, in addition to the certification in Section B. below, include the information from Section C. below in each invoice Seller submits to Buyer requesting a Performance-Based Payment.
4. No request for a Performance-Based Payment shall be made by Seller prior to Seller’s successful accomplishment of the event or performance criterion for which payment is requested. Verification by Buyer of successful performance of each event, according to the criteria outlined in the Performance-Based Payments Schedule, is required prior to payment. Seller shall, at Buyer’s request, make accounting books and records available to Buyer or, as negotiated, to a mutually acceptable third party for administration of this requirement.
5. Each Seller invoice requesting Performance-Based Payment(s) shall contain the following: (a) Name and address of Seller;  
(b) Date of Seller’s request for Performance-Based Payment;  
(c) Purchase Order or Subcontract number (or other identifier) under which Seller’s request is made;  
(d) Sufficient information and/or documentation to demonstrate completion of the event or performance as required by the Purchase Order or Subcontract that justifies the payment request; and  
(e) Signed Certification by Seller’s Authorized Representative in the form specified in FAR 52.232-32(m) (see Section B, below).  
(f) In addition, for DOD Subcontracts, the information required in Section C below.
6. Performance-Based Payment amounts paid prior to delivery must be liquidated by deducting a percentage of or a designated dollar amount from the delivery payments. Buyer will specify the liquidation rate or designated dollar amount in the Performance-Based Payments Schedule set forth in this Purchase Order or Subcontract. The method of liquidation must ensure complete liquidation no later than final payment.
7. Seller shall ensure that title to delivery items is not compromised by other encumbrances. Buyer, in the absence of reason to believe otherwise, shall rely upon Seller’s Certification contained in the Performance-Based Payment request.
8. If Buyer becomes aware of any arrangement or condition that would impair Buyer’s or the Government’s title to the property affected by the clause at 52.232-32, Performance-Based Payments, Buyer may require additional protective provisions from Seller.
9. The existence of any such encumbrance is a violation of Seller’s obligations under the Purchase Order or Subcontract, and Buyer may suspend or reduce payments under the terms of FAR 52.232-32(e) (1) for failure to comply with a material requirement of this Purchase Order or Subcontract. In addition, if Seller fails to disclose an existing encumbrance in the Certification, Seller may be in violation of the False Claims Act at 31 U.S.C. 3729.
